

Essex Wedding Awards

Wedding Professionals Entry Form 2019

Please complete this entry form.

A separate form should be completed for each category entered (photocopies are acceptable).

In addition to your entry form, you should also supply the judges with a description of your business and try to meet the criteria as outlined on the web site: www.essexweddingawards.co.uk. Your submission should be accompanied by photographs (high quality images on disc are also acceptable*) & products/samples where possible. Please also include any other supporting material, such as testimonials where relevant.

**If supplying memory sticks or image discs with your submission we recommend that you retain a copy for your own records, as we accept no liability for the loss of images or judging samples supplied.*

All entries will be regarded as 'Strictly Private & Confidential'. The judge's decision is final.
